Guidelines for Livestock Judging Clinic & Contest

Junior Division-8 to 12 years of age

Intermediate-13 to 15 years of age

Senior Division-16 to 21 years of age

Livestock judging is the evaluation of an animal's characteristics and making a comparison to other animals and the ideal standard of that particular class. After evaluating each animal individually, a ranking is assigned to that class.

Youth will have the opportunity to learn by evaluating as a group two individuals. Then, the contest portion begins where youth will judge a class of four animals. Swine, Sheep and Goats will be part of the Clinic and Contest.

This is a great opportunity to try something new or improve your skills!
